is a bluesign® SYSTEM PARTNER.

bluesign® SYSTEM PARTNERS are responsibly acting parties of the textile supply chain that are committed to applying the bluesign® SYSTEM. As such, they are required to meet a high level of safety for both people and the environment, to use resources responsibly, and to continuously improve their environmental performance.

Chemical products carrying the bluesign® APPROVED label meet the strict ecological and toxicological requirements of the bluesign® CRITERIA.

System partner as well as bluesign® APPROVED chemical products are registered in the bluesign® FINDER.

Sustainability is part of their philosophy and they are dedicated to acting on their responsibility.
